Giving Tuesday 2025 - Sophia Jundy

Giving Tuesday is here!

Here is what you need to know:

Giving Tuesday, the global day dedicated to generosity, encourages people to step away from the rush of daily life and focus on giving back.

As Equiduct Inc. continues to grow, so does the need for resources that help volunteers travel to tutoring sites, provide supplies and meet the rising demand from schools asking for academic support. As Equiduct, Inc. is a 501(c)(3) organization. All donations are tax-deductible. EIN 93-3127555.

Equiduct's volunteers work one-on-one with elementary and middle school students, offering homework help, reading practice and steady encouragement. Many students depend on this consistency and schools have expressed interest in bringing the program into more classrooms.

To make that possible, Equiduct is gathering donations throughout Giving Tuesday. Even the modest of contributions help the organization move closer to its goal of strengthening the program.

This year's campaign isn't just about fundraising, it's about ensuring that more children have access to reliable mentors and a learning environment where they feel supported.

Every donation, share or show of support helps Equiduct continue the work that began in Lansing classrooms and grow it into something even more meaningful.
